

WLP SOFTWARE SERVICES JOINS SYNERGY PLUS SOLUTIONS, INC.

FOR IMMEDIATE RELEASE – DECEMBER 12, 2007 -- LIVONIA & HARTLAND, MICH. – WLP Software Services recently joined with Synergy Plus Solutions, Inc. a leading business software advisory firm. By bringing together these two firms, clients will benefit from an expanded product offering and experienced professional services staff.

“WLP Software Services brings to Synergy Plus Solutions in-depth software consulting experience which complements our vision to provide business software solutions and the technical expertise to deliver the results expected from our mutual clients,” explained Joe Santoro, president, Synergy Plus Solutions. “The addition of WLP Software Services also supports Synergy Plus Solutions’ strategic growth plan throughout the state of Michigan, in addition to our current Windsor, Toronto, and Livonia operations.”

The combination of WLP Software Services and Synergy Plus Solutions brings together powerful product suites that deliver significant benefits to clients. Synergy Plus Solutions is able to offer a complete suite of business management software applications supporting a variety of industries and businesses, such as accounting and financial management, customer relationship management, human resource management, point-of-sale, manufacturing, and warehouse management.

“Joining Synergy Plus Solutions is ultimately a way to improve the customer experience,” said Wendy Parks, president, WLP Software Services. “WLP Software Services’ focus on Sage Pro and other accounting software platforms complements Synergy Plus Solutions’ background in Sage Accpac and other Sage products. Combined, the company is agile at meeting specific customer needs as their business grows, including business needs analysis, product implementation, training, and product support.”

Parks established WLP Software Services in 1993, and brings more than 17 years experience in business accounting software to Synergy Plus Solutions. Like Synergy Plus Solutions, WLP Software Services has gained a reputation for offering high-quality needs analysis, products and service to its clients.

Synergy Plus Solutions, Inc. has offices in Windsor and Toronto, Ontario, as well as Livonia and Hartland, Michigan.
